MEN'S HEALTH WEEK 2020

This year Near North Health Service Corporation celebrated Men's Health Week from Monday, June 15 through Friday June, 19, 2020.

Due to COVID-19, this year's celebration was held virtually while in-person free health screenings were done in accordance with guidelines provided by the Centers for Disease Control and Prevention (CDC) and Illinois Department of Public Health (IDPH).

Between Near North's Winfield Moody and Komeda Holman Health Centers, approximately 100 men were served. In addition to receiving their health screenings, men were also provided with access to Live events on Near North's Instagram, health education video resources on Near North's website, lunch, a gift bag, and the opportunity to make an appointment at their Near North Health Center.

Near North would like to thank Near North Providers, staff, Board Member James Simmons, CBS 2 Morning Show Anchor Ryan Baker, Joe Soto, and State Representative Kam Buckner for contributing to this year's Men's Health Week.

For more information on this year's celebration, please visit www.nearnorthhealth.org.

NEAR NORTH CONGRATULATES NEW LEADERS

Pictured Left to Right: DeJuane Rivers-White, Artamesia Neal, Dr. Algean Garner II, CEO Berneice Mills-Thomas and COO Tanya Ford.

Near North Health Service Corporation would like to congratulate the following graduates, hand-picked by Near North Chief Executive Officer Berneice Mills-Thomas, on their completion of the Safety Net Learning Collaborative Leadership Institute training:

DeJuane Rivers-White

Artamesia Neal

Dr. Algean Garner II

The training was designed to help improve managerial and leadership skills of department and program directors within community health centers. The program helps prepare the next generation of community health center leaders to be effective agents of change, both within their organizations and community. Due to COVID-19, the graduation took place via Zoom.

WELCOME BACK!

Near North Health Service Corporation is happy to welcome patients back into our health centers.

Here is how we are keeping you safe:

Masks: All staff and patients are required to wear masks while in Near North health centers.

Social Distancing: A six foot distance has been marked throughout the health center to help patients maintain a social distance.

Temperature Checks: All staff and patients have their temperature checked for a fever before entering the health center.

Hand Sanitizer: Hand sanitizer is available throughout the health center for use before and after appointments.

Plexiglass Shields: Plexiglass shields have been installed in areas where maintaining a social distance between patients and staff is more difficult.

Sanitation: Increased sanitation measures have been implemented throughout all Near North Health Centers.

NEAR NORTH IS ALL IN

On Friday, June 12, 2020, Near North Health Service Corporation staff across all eight health centers wore Near North Strong "We Are All In" t-shirts in a show of solidarity for Near North's hard work and dedication to providing health care services to Chicago's communities amidst the COVID-19 pandemic.

For more information on Near North's response to COVID-19 and being ALL IN, please visit <https://www.nearnorthhealth.org/covid-19>.
